COVID-19 – We stay in touch

Due to the ongoing travel and contact regulations in relation to the Covid-19 pandemic, it is not always possible to provide personal onsite support.

To ensure the smooth operation of your facilities, we will stay in touch with you and provide the usual high quality support. In addition to the usual communication channels, we create an additional point of contact.

Learn more how the app can support you.

Contact us with just one click on the app button or by telephone +49 (0)2583 301-2000 or via Email service@technotrans.de.

Prepare a virtual technician deployment: find an appointment and easily coordinate details via the app.

Our experts will give you technical support: with our real-time instructions in virtual space, every problem can be solved.

The newly developed technotrans app provides quick and uncomplicated remote support for:

- System checks
- Troubleshooting
- Installations
- Commissioning
- Updates
- Trainings

Start the virtual support with us!
